

# EXPANDING

TO SERVE MORE WOMEN

## October 2016

It began at our Fall Benefit Dinner where partners raised funds to expand facilities.

The number of women trusting us for care doubled in 2014 and again in 2016!

## April 2017

Construction started to reconfigure the clinic ...

...and challenges were met along the way

## May 2017

Team worked without desks during progress

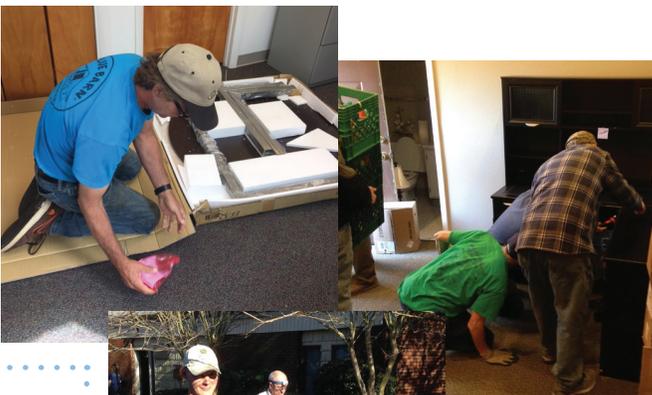

## Winter 2017

New space was secured for admin offices in the same office complex as our clinic & volunteers made it bright and clean...

## Summer 2017

30% more women seen this year over 2016! We're ready!

## March 2017

...and helped us move

Knights of Columbus kicks off 3 to 1 matching \$ to raise funds for ultrasound to serve more women like Destiny (pictured).

## Director's Perspective

Kimberly Logsdon  
Executive Director

This month marks four years since I joined Care Net Peninsula. The apostle John said that Jesus did so many things well that "if every one of them were written down, I suppose that even the whole world would not have room for the books that would be written." (John 21:25). I feel like John, unable to tell you of all the ways God is expanding the territory of His love in every direction of this work.

Here's some fruit: we have already seen 200 women this year. More churches and walkers turned out for our Spring Walk 4 Life than ever in our history. Even former clients walked with us this year, pushing babies in strollers who are alive today because of care you provided

through our center. This week, a woman came to the reception window and asked for the advocate who met with her a few months ago. She had been leaning toward abortion back then but she radiantly told us that she has chosen life for her child... and also wanted to tell us she gave her life to Jesus since we last saw her!

We are not only growing, we are going deeper. God is doing an enduring work on the Peninsula and there is room for everyone who is willing to be a part of that blessing. Thank you for your ongoing prayers and support!

for LIFE,  
Kimberly

## Welcome Donnetta, New Client Advocate

As we expand our service capacity, our need for trained options counselors grows. We are excited that Donnetta Watkins has joined our team as our newest Client Advocate, relocating from Charlotte, NC. She brings experience working in a variety of ministry settings, including helping women in domestic violence situations.

Donnetta completed undergraduate work in psychology and accounting disciplines, holds Bachelor degrees in Theology and Christian Counseling, and attained a Masters of Theology.

She is quick to laugh and is willing to serve in any way. Please pray for Donnetta as she completes training/certification and assumes her duties with the women we help!

### Fun Facts

- Joined a daughter, son-in-law & grandkids locally
- Loves smooth jazz
- Can lug a dolly of diapers in high heels (gracefully)
- Often flies a kite after work to relax

## Surrendering the Secret

Fall 2017

Our 9 week Abortion Recovery Bible Study starts evenings in September.

Applications required to reserve your spot.

Abortion is not a secret anymore in our culture. Despite this openness, many women have pain and experiences they don't feel comfortable telling anyone. They may struggle for years with repressed memories, guilt, shame, and depression.

It's time for your healing (or for someone you love).

## DID I MISS MY INVITATION TO THE FALL BENEFIT DINNER?

Each fall, Care Net Peninsula hosts a complimentary Benefit dinner where people who love our work are able to invite friends *who don't yet know about us* so they may consider financially partnering with our ministry. If you would like to be part of this event, there are several ways you can help us advance our life-saving work.

### NEVER ATTENDED?

If you have never attended—even if you already support us financially—please give us a call and let us know that you are interested in attending this year. We would love to have you be our guest. Pastors- we want you to hear our reports first hand so let us know if you would like to attend.

### PAST GUEST?

If you attended a Care Net Peninsula Benefit in the past and wished some of your friends had been there, you might make a great Table Host! Our goal is to have 80% of our tables be filled through *first-time hosts*. There is no cost to host; we are planning now so give us a call!

### ALREADY PARTNERED?

Consider if you may be called to be an event sponsor and watch your gift be multiplied. There are also other ways to stay engaged. If you have never had a tour of our center or had us speak at your church, we would love to bring the same encouraging reports directly to you!

Contact Mrs. Brayden Tomlinson at 757-975-8188 or Brayden@carenetrpc.com for more details.
