

VOLUNTEER REGISTERED NURSE

POSITION DESCRIPTION

STATUS: 1 Shift Per Week

REPORTS TO: Nurse Manager

OBJECTIVE OF POSITION:

The Volunteer Registered Nurse is responsible for client care and medical service operations at Alcove Health. You will help maintain departmental standards of care and best practice policies.

ORGANIZATION MISSION:

Women think abortion is the only way out of an unplanned pregnancy. We provide the help and hope local women need to choose life for their baby.

KEY CHARACTERISTICS:

1. Passionate Christ Followers

Our faith in Jesus informs every action we take.

2. Unshakeable

We stand for life no matter what it costs.

3. Lovingkindness

We believe lovingkindness is a lifeline to pregnant women in crisis.

RESPONSIBILITIES:

- You confirm medical history of the client.
- You perform pregnancy tests.
- You document clinical findings, observations, and medical care in the patient record.
- You will educate client patients on health and medical matters related to reproduction, pregnancy, fetal development, Sexually Transmitted Infections (STIs) and procedures and risks related to abortion.
- You review any concerns regarding the viability of the pregnancy or health of the mother with the Nurse Manager and/or Medical Director.

MUST HAVES:

- Be a committed Christian with a consistent testimony and active in a local church.
- Exhibit strong commitment and dedication to the pro-life cause and sexual purity.
- You hold a current RN license and are in good standing.
- You comply with state and professional licensing and continuing education requirements.
- You annually renew your CPR certification (as applicable).
- Pass a mandatory criminal background check.

SKILLS:

- You have strong administrative skills.
- You care about women's health and healthy fetal development.
- You are a 'people person' and feel comfortable listening to clients share concerns.
