

VOLUNTEER SONOGRAPHER

POSITION DESCRIPTION

STATUS: 1 Shift Per Week

REPORTS TO: Nurse Manager

OBJECTIVE OF POSITION:

The Volunteer Sonographer provides professional and compassionate ultrasounds to women who present as abortion minded or abortion vulnerable according to Alcove Health and NIFLA guidelines.

ORGANIZATION MISSION:

Women think abortion is the only way out of an unplanned pregnancy. We provide the help and hope local women need to choose life for their baby.

KEY CHARACTERISTICS:

1. Passionate Christ Followers

Our faith in Jesus informs every action we take.

2. Unshakeable

We stand for life no matter what it costs.

3. Lovingkindness

We believe lovingkindness is a lifeline to pregnant women in crisis.

RESPONSIBILITIES:

- You provide limited obstetrical ultrasounds for our clients under the direct supervision of the Nurse Manager and overall accountable to our Medical Director.
- Understand and make recommendations for updates to ultrasound policies and procedures
- Maintain backup files for all ultrasound machines and keep proper logs
- Perform necessary data entry of ultrasound appointments
- Assure compliance with infection control guidelines
- Document patient notification and follow-up
- You document clinical findings, observations, and medical care in the patient record.

MUST HAVES:

- Be a committed Christian with a consistent testimony and active in a local church.
- Exhibit strong commitment and dedication to the pro-life cause and sexual purity.
- Hold a current Registration (RDMS) in OB/Gyn.
- You annually renew your CPR certification (as applicable).
- You comply with state and professional licensing and continuing education requirements.
- Pass a mandatory criminal background check.

SKILLS:

- You have strong administrative skills.
- You care about women's health and healthy fetal development.
- You are a 'people person' and feel comfortable listening to clients share concerns.
