

CARE NET PENINSULA

STATEMENT OF PRINCIPLE

- 1.** Care Net Peninsula (CNP) is an outreach ministry of Jesus Christ through His church. Therefore, CNP, embodied in their staff and volunteers, is committed to presenting the gospel of our Lord to women with crisis pregnancies- both in word and in deed. Commensurate with this purpose, those who labor as CNPs' board members, directors, staff and volunteers are expected to know Christ as their Savior and Lord.
- 2.** CNP is committed to providing for their clients with accurate and complete information about both prenatal development and abortion.
- 3.** CNP is committed to integrity in dealing with clients, earning their trust, providing information and services, and avoiding any form of deception in their corporate advertising or individual conversations.
- 4.** CNP is committed to assisting women and men to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women and men may face the future with hope and plan constructively for themselves and their babies.
- 5.** CNP never discriminates in providing services because of the race, religion, creed, national origin, age, gender, gender identity, sexual orientation, or marital status of its clients.
- 6.** CNP never advises, provides, or refers for abortion or abortifacients.
- 7.** CNP offers assistance free of charge at all times.
- 8.** CNP is committed to creating awareness within the local community of the needs of pregnant women and of the fact that abortion only compounds human need rather than resolving it.
- 9.** CNP does not recommend, provide, or refer single women for contraceptives. (Married women seeking contraceptive information should be urged to seek counsel, along with their husbands, from their pastors and physicians.)
- 10.** CNP recognizes the validity of adoption as one alternative to abortion but is not biased toward adoption when compared to other life-saving alternatives. CNP is independent of adoption agencies, relating to them in the same manner as to other helpful referral sources. CNP receives no payments of any kind from these agencies, does not enter into contractual relationships with them, and does not share combined office space. Adoption agencies are not established under the auspices of the organization. CNP neither initiates nor facilitates independent adoptions, though they may refer for independent adoptions in states in which it is legal.
