NEWPORT NEWS, VA - This October 20th, over 600 guests will gather at the Hampton Roads Convention Center in Hampton, VA, for the 36th annual Peninsula4Life Dinner benefitting Alcove Health, the Peninsula's only no-cost women's pregnancy health center. This yearly event brings together local businesses, churches, and individuals to raise awareness and funds for the pregnancy clinic's medical services and resources.

The 2022 dinner is to be chaired by local businesswoman Tami Dierberger, owner and marketing specialist of Donatos Pizza in Newport News, VA. Tami's passion for women and the unborn, deep community relationships, and history with the Care Net Peninsula make her the ideal chairperson for this inspirational event.

"I am humbled to Chair the 2022 Care Net Peninsula4Life Dinner and to work alongside a team of incredible individuals that share a passion for life", says Tami. "I witnessed the life-changing impact Care Net Peninsula had on a young woman that is very dear to me, strengthening my desire to be involved. This annual dinner is extremely important as it helps provide the opportunity for Care Net Peninsula to reach many women right here on the Peninsula, and that excites me!"

The keynote speaker for the evening will be New York Times best-selling author and radio host Eric Metaxas. For more information or to donate online, please visit peninsula4life.org.
