Local physician Libby Palumbo, DO will serve as chairperson at this year's annual Peninsula4Life Benefit Dinner, taking place on October 17th at the Hampton Roads Convention Center.

NEWPORT NEWS, VA - This October 17th, over 900 guests will gather at the Hampton Roads Convention Center in Hampton, Virginia for the 39th annual Peninsula4Life Dinner benefitting Alcove Health, the Peninsula's only no-cost women's pregnancy health center. This annual event brings together local businesses, churches, and individuals to raise awareness and funds for the pregnancy clinic's medical services and resources.

"I am honored to chair this year's Peninsula4Life dinner to support Alcove Health and further their mission of supporting women with unplanned pregnancies and empowering them to choose life for their unborn children."

Upon becoming a physician, I recited the Hippocratic Oath, pledging to uphold ethical standards in my practice, including not to harm or give a lethal drug to anyone, even if asked, nor to advise such a plan. I am proud to partner with this organization and protect the most vulnerable patient, the unborn child."

The evening's keynote address will be delivered by Focus on the Family Partner and renowned physician Dr. Bill Lile, who will share insights on cutting-edge medical advancements used to treat complex conditions in the womb.
