

Peninsula 4 Life Dinner

CELEBRATING 40 YEARS WITH CARE NET PENINSULA

2026 SPONSORSHIP OPPORTUNITIES

Become Part of the Legacy

On October 30, 2026, join over **900** attendees in taking a **STAND FOR LIFE** on the Peninsula.

Your courageous support makes the Peninsula a safe place for women to find the help and hope they need to choose life for their babies.

It has been a privilege to serve alongside Care Net Peninsula and witness firsthand the impact this ministry has on families in our community. I would be honored if you would join me as a sponsor for this year's Peninsula4Life Dinner as we celebrate 40 years of life-changing ministry.

Together, we'll celebrate 40 years of ministry and invest in a future where no woman faces an unexpected pregnancy alone or feels that abortion is her only choice.

Meet Our Keynote Speaker

Dr. Abby Johnson

Dr. Abby Johnson began her career at Planned Parenthood believing she was helping women. After witnessing a live ultrasound-guided abortion, she experienced a profound change of heart and left the abortion industry. Her story became the bestselling book **Unplanned**, later adapted into a major motion picture.

Today, Dr. Johnson serves as CEO of the pro-life ministries *And Then There Were None* and *ProLove Ministries* and hosts the *Politely Rude* podcast. Through *And Then There Were None*, she has helped more than 700 abortion workers leave the industry. Dr. Johnson lives in Texas with her husband and their eight children.
