

CARE NET PENINSULA

OUR FREE & CONFIDENTIAL SERVICES THANKS TO YOU!

PREGNANCY TESTS

Proof of pregnancy required by Medicaid and insurance providers.

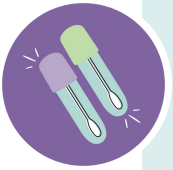

CONFIRMATION ULTRASOUNDS

The most accurate dating on how far along a woman is, and if her pregnancy is viable.

OPTIONS COUNSELING

A judgement-free, safe space where women can process their feelings, ask questions, and get advice.

STI TESTS

One of our newer free services to reach more vulnerable women.

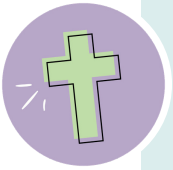

LEARN, EQUIP, & PARENT PROGRAM

L.E.A.P. provides parents with the practical skills they need to parent. When they finish, they receive a baby shower in a basket and free diapers.

COMMUNITY RESOURCES

Adoption, Medical and Community Resources

CHURCH MENTORSHIP

Connect with one of the women we serve, or her partner, who is looking for someone to disciple and walk alongside them during this new season.

PAST-ABORTION SUPPORT

We provide private, one-on-one or group studies to find healing after an abortion.
